

my dad cant have my mom  
back pull - have my mom  
back and I like my  
mom was so good so  
ok, you was like  
bratz was and  
sister and grandma

Dear Judge,

Please let Kareema go I really miss her. She is the best mother in the universe and I really love her. She is very amazing and would never do anything bad. She would always take care of her children. If

p.s. If you let her go please make her stay in Delaware and live with me, my grandma ~~in Maryland~~ and my six brothers and sisters

Dear:

Mr. or Ms., or whom  
ever it may concern.

I am writing this  
letter to tell you that  
I need and miss my  
mother oh so much, and  
want her back with  
me and her children  
five of them to be  
exact, and needs to be  
with all of her kids.  
I mean it doesn't feel  
the same with out your  
dad but you mostly  
need your mom the one  
that gave birth to you,  
and the one that knows  
you better than anybody.  
I miss coming home and  
being scared that I'm  
going to get grounded or  
not being able to talk on  
the phone for like a

week so you see  
I need her I want  
her with me and  
my little sister and  
brother who are 5 and  
9, they girl is turning  
six soon and her mother  
needs to be there unlike  
my birthday my mother  
gotten taken from me.  
So what I'm trying  
to say is that my  
mother didnt do anything  
she was just with a  
guy that made a mistake.  
So why take the only  
real thing I have  
left from me breaking  
my heart and crushing  
my dreams so I am  
just to ask you a  
question, did you grow  
up with you father  
and mother? because  
I'm not I dont have a  
wealthy furtrune. But my mother  
was all I needed. Now I dont

have that Softly  
Blanket to go home  
to all I have is  
her picture hugging  
it Shedding at least  
one tear a night  
hoping She one comes  
home to me. HURRY  
MOMMY GODS Not GOING  
"TO LET ME DOWN.

P.S.

Thank you any  
way for  
listening to  
me making  
me feel

"important  
like my  
mother did  
it felt good  
I would like  
to feel that  
again". 😊
